MAKES STRIDES AGAINST BREAST CANCER**

SAN JOSE, CA, SEPTEMBER 25, 2008: Labhart Miles Consulting Group is once again a sponsor in Monika's quest to raise money in the fight against breast cancer. This will be her 11th year participating in the Bay Area's Making Strides Against Breast Cancer. As a fundraising "Pacesetter", she has been the 3rd largest individual fundraiser in the greater Bay Area for this cause, raising over \$20,000 in 2006 and in 2007. This year, her goal is to raise \$25,000. Last year at the Making Strides event in San Francisco, Monika celebrated ten years of participation. This year, the event will be held on two Saturdays (October 18 in Golden Gate Park, San Francisco and October 25 in the Arena Green at HP Pavilion in San Jose).

Making Strides Against Breast Cancer is more than just a single event; it describes the amazing progress the American Cancer Society and our company are making together in the fight against breast cancer. Because nearly everyone has been touched by breast cancer in some way, we've decided to make a difference by supporting the American Cancer Society Making Strides Against
